TAURUS® Dry

Dry Flowable Termiticide

Ready-to-use product for the control of subterranean and drywood termites.

- Effective and Easy to Use
- For your overall termiticide program
- Complements your complete termite protection plan/program
- Simplifies termite spot treatments

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

- **For sale to, use and storage only by individuals/firms licensed or registered by the state to apply termiticide and/or general pest control products.**
- **DO NOT** use this product for termite or other pest control indoors, except for label-specified applications for termite control.
- **DO NOT** use on animal trophies or animal skins.

See inside booklet for additional **Restrictions, First Aid, Precautionary Statements, Directions For Use, Conditions of Sale and Warranty**, and state-specific use sites and/or restrictions.

ACTIVE INGREDIENT:

Fipronil **0.5%**

OTHER INGREDIENTS*: **99.5%**

TOTAL: **100.00%**

1 gram of TAURUS Dry contains 5 mg of fipronil

FIRST AID	
IF SWALLOWED:	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • DO NOT induce vomiting unless told to by a poison control center or doctor. • DO NOT give anything by mouth to an unconscious person
IF ON SKIN:	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 to 20 minutes. • Call a poison control center or doctor for treatment advice
IF INHALED:	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call a poison control center or doctor for further treatment advice
IF IN EYES:	<ul style="list-style-type: none"> • Hold eyes open and rinse slowly and gently with water for 15 to 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. • Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact SafetyCall® (866) 897-8050 for emergency medical treatment information.	
NOTE TO PHYSICIAN: There is no specific antidote. All treatment should be based on observed signs and symptoms of distress in the patient. Overexposure to materials other than this product may have occurred. In severe cases of overexposure by oral ingestion, lethargy, muscle tremors, and in extreme cases, possibly convulsions may occur.	

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, absorbed through skin, or inhaled. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Wear long-sleeved shirt and long pants, socks, shoes, and waterproof gloves. Remove and wash contaminated clothing before reuse. Avoid breathing dust.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to birds, fish, and aquatic invertebrates. DO NOT apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Drift or runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Care must be taken to prevent any and all drift, spillage of the product, or runoff. DO NOT contaminate water by cleaning equipment, or disposal of wastes, or when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

READ ALL DIRECTIONS COMPLETELY BEFORE USE.

During and after any application, the applicator is required to check for spills. Any and all spills resulting in the deposition of product in locations other than those prescribed on this label must be cleaned up immediately and prior to leaving the application site. DO NOT allow people or pets to contact contaminated areas or to reoccupy contaminated areas of the structure until the cleanup is completed.

USE RESTRICTIONS:

- **DO NOT** apply to humans, animals, clothing or bedding.
- **DO NOT** use metal straw/tube/application injector when working around electrical equipment.
- **DO NOT** apply more than 5 grams (25.0 milligrams fipronil a.i.) per 1,000 square feet of total internal surface area of the void, carton, or gallery.

APPLICATION INSTRUCTIONS

TAURUS Dry may be used alone to kill subterranean or drywood termites or as a supplement to a post-construction treatment of Taurus SC Termiticide/Insecticide, Fuse Termiticide/Insecticide, Dominion 2L Termiticide/Insecticide or fumigation to provide protection from subterranean termites. This product/treatment will kill workers and/or winged reproductive forms of subterranean and/or drywood termites present at the time of application and will provide residual control of termites contacting the treated surfaces only as described in the Directions For Use. This product is to be used as a spot treatment. Do not use this product as the sole source of control for active, structural infestations by subterranean termites; the purpose of this application is to kill workers or winged reproductive forms of termites which are present at the time of treatment. It is not intended to provide structural pest control. It is not a substitute for mechanical alteration, soil and foundation treatment, but merely a supplement. For active, structural infestations by subterranean termites, this product can only be used to supplement a federally registered conventional product that is registered as a sole source for termite control. This product will not eliminate termite infestations or provide protection against future infestations.

Applicator Instructions for the Precision Delivery System™ (PDS):

1. Insert the battery into the Precision Delivery System prior to loading dry flowable products.
2. To insert the 9V battery, unscrew the small screw on the back ledge/underside of top of the PDS unit. The top cover will lift off. Place the 9V battery into the housing as indicated and replace the top cover. Tighten the cover back down with the screw.
3. To load TAURUS Dry into the Precision Delivery System (PDS), remove cartridge from packaging and unscrew the lid. Firmly screw the cartridge into the underside of the PDS. Be sure to keep the cartridge upright to prevent spillage, and do not overtighten. Retain the cartridge lid for storage after application is complete.
4. Insert the appropriate application straw into the opening on front of the PDS. **DO NOT** use PDS unit without an application straw.
5. Move the switch, located on the back of the PDS to "on".
6. To dispense product, insert the appropriate application straw into the desired crack, crevice or void. Depress the trigger for the appropriate amount of time. The trigger can be held down to dispense a continuous flow of material into a large void if necessary.
7. To replace an empty cartridge, unscrew the used cartridge and dispose of it as directed.
8. TAURUS Dry dispenses at a rate of 0.05 grams per 1 second of trigger activation time. Each cartridge contains 3 grams of product and number of applications per cartridge is based upon the application time at each injection point (See **APPLICATION RATES Section**).

APPLICATION SITES

Apply into voids and galleries, shelter tubes, termite nests or other inaccessible areas of buildings, trees*, utility poles, fencing, decking materials, railroad trestles, piers*, beams and other structural or landscape timbers where termite damage is observed or termite activity is present or suspected.
*Site not for use in California.

If necessary, gain access to a gallery or void by creating an opening into it. Openings should be approximately every 24 inches or into each void. Multiple injection points for each void, carton, or gallery may be required. **DO NOT** apply more than 5 grams (25.0 milligrams fipronil a.i.) per 1,000 square feet of total internal surface area of the void, carton, or gallery.

APPLICATION RATES

PEST	APPLICATION RATE PER INJECTION POINT	APPLICATION RATE IN SECONDS OF TRIGGER PULL
Drywood Termites	0.1 to 1 gram	2 – 20 seconds
Subterranean Termites (galleries and shelter tubes)	0.1 to 1 gram	2 – 20 seconds
Subterranean Termites (voids)	0.2 to 2 grams	4 – 40 seconds
Subterranean Termites (cartons and nests)	0.3 to 3 grams	6 – 60 seconds

This product may be applied to previously treated sites if termite activity is found 30 days after previous application.

STORAGE AND DISPOSAL

DO NOT contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store unused product in original container only, out of reach of children and animals.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide is a violation of federal law. If these wastes cannot be disposed of according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER HANDLING: Non-Refillable Container. Non-refillable container. Do not reuse or refill this container. If Empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

WARRANTY STATEMENT

The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather, presence of other materials or other influencing factors in the use of the product, which are beyond the control of Control Solutions, Inc. or Seller. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Control Solutions, Inc. and Seller harmless for any claims relating to such factors.

To the extent consistent with applicable law, Control Solutions, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of Seller or Control Solutions, Inc., and Buyer and User assume the risk of any such use. CONTROL SOLUTIONS, INC. MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

To the extent consistent with applicable law, IT IS CONTROL SOLUTIONS INC., AND SELLERS INTENTION THAT in no event shall Control Solutions or Seller be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE

REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF CONTROL SOLUTIONS, INC., AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF CONTROL SOLUTIONS, INC. OR SELLER, THE REPLACEMENT OF THE PRODUCT.

To the extent consistent with applicable law, Control Solutions, Inc. and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of Control Solutions, Inc.
